# BREXIT: SAP SUPPORT OFFER

ARE YOUR SAP SYSTEMS READY IN CASE OF A NO-DEAL BREXIT ?

Do you have an On-Demand Support contract with PASàPAS ? If you do, then PASàPAS can help you identify and carry out the changes required for your SAP systems to cope if the UK leaves the EU without a deal…

Context

• There is a real possibility that **the United Kingdom could leave the European Union without a deal.**

• The UK and other EU countries are preparing for this scenario, and **SAP has begun to develop solutions for this eventuality.**

• **PASàPAS can help you implement the changes needed to adapt your SAP systems to this change.**

PASàPAS HUMAN FIRST

SAP PCoE Certifié Partner Center of Expertise   SAP Gold Partner

SUBSCRIPTION

Brexit Orientation kit
• Lists the actions to take in your SAP system.
• Will be maintained and versioned, so that you receive regular updates.

Brexit Roadmap
Detailed description of the following types of actions:
• Customising.
• Analysis and master data updates.
• Analysis and update of in-progress SD flows.
• Analysis and update of forms.
• Other sundry items.

IN ADDITION TO THE SUBSCRIPTION

On-Demand implementation of some or all the actions described in the Brexit Roadmap.

Once you have subscribed to our service, you can decide either to implement the actions contained in the Brexit roadmap by yourselves, or to request that PASàPAS does this work for you.

Benefits

Our solution enables you to:

• Have a clear assessment of the implications of Brexit on your SAP systems

• Be aware of all the information provided by SAP on the subject.

• Receive updated information on a regular basis.

• Prepare for a possible No-Deal Brexit.

• Have visibility of the changes needed in your SAP systems, and of the effort required.

Pricing

• 40 Service Units for a subscription to our Brexit Orientation kit and Roadmap, including updates, until 30th June 2019.
